

State of California  
AIR RESOURCES BOARD

EXECUTIVE ORDER B-71  
Relating to Conversion of On-Highway Vehicles to Electricity

Complete Coach Works  
ZEPS (Zero Emission Propulsion System)

Pursuant to the authority vested in the undersigned by Section 39515 and Section 39516 of the Health and Safety Code and Executive Order G-14-012; and

Pursuant to Health and Safety Code Section 43004, which provides, in pertinent part, that the standards applicable for exhaust emissions for gasoline-powered motor vehicles shall apply to motor vehicles which have been modified or altered to use a fuel other than gasoline or diesel; and

Pursuant to Health and Safety Code Section 43006, which provides that the Air Resources Board may certify the fuel system of any motor vehicle powered by a fuel other than gasoline or diesel which meets the standards specified by Section 43004; and

Pursuant to Vehicle Code Sections 27156 and 38395, which provide in pertinent part that the prohibitions in Section 27156 and Section 38391, respectively, regarding alterations, modifications or modifying devices, apparatuses or mechanisms which modify or alter the original design or performance of required motor vehicle or off-highway motor vehicle pollution control devices or systems shall not apply to alterations, modifications, or modifying devices, apparatuses, or mechanisms found by the Air Resources Board to not reduce the effectiveness of required motor vehicle or off-highway motor vehicle pollution control devices or result in emissions from any such modified or altered vehicle or off-highway vehicle which are at levels which comply with existing state or federal standards for the model year of the vehicle or off-highway motor vehicle being modified or converted;

IT IS ORDERED AND RESOLVED: That the ZEPS (Zero Emission Propulsion System) electric vehicle conversion kit manufactured by Complete Coach Works of 1863 Service Court Riverside, California 92507 is approved for installation on 2009 Model Year On-Highway Heavy-Duty Motor Vehicles, listed in Exhibit A, of this document.

BE IT FURTHER RESOLVED: That because the motor vehicles converted in accordance with the systems covered by this order are powered by battery-stored electricity and have no on-board systems which consume any fuel other than electricity; the vehicles have no exhaust emissions and therefore comply with the exhaust emission standards applicable to 2009 Model Year On-Road Heavy-Duty Otto-Cycle Engines Used In Heavy-Duty Vehicles, Over 14,000 pounds GVW.

The ZEPS (Zero Emission Propulsion System) includes the following major components:

<b>Component</b>	<b>MFR Part Number</b>	<b>Description</b>
Motor	<b>209722</b>	Electric Traction Motor
Motor Controller	<b>209679</b>	Inverter
Energy Storage System	<b>ZE-0039 (Left Pack) ZE-0030 (Right Pack)</b>	Battery
BMS	<b>218363</b>	Battery Management System
Rear Axle/Drive Shaft	<b>213561</b>	Rear Axle & Drive Shaft
HVAC System	<b>219760</b>	Cooling/Heating for Cabin

BE IT FURTHER RESOLVED: That because the motor vehicles converted in accordance with the systems covered by this order have no parts that affect emissions for which there is an applicable emission requirement, the conversion system manufacturer is not required to provide an emission control system warranty pursuant to Health and Safety Code Section 43205 or 43205.5, or Title 13, California Code of Regulations, Sections 2035 et seq, 2425, 2435 and 2436. Motor vehicles converted in accordance with the system covered by this order shall not be equipped with any on-board system which consumes any fuel other than electricity. Any changes to the design or operating conditions of their system which violates this condition shall invalidate this Executive Order.

Marketing of the ZEPS (Zero Emission Propulsion System) using any identification other than that shown in this Executive Order or marketing of the ZEPS (Zero Emission Propulsion System) for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the Air Resources Board.

Exemption of the ZEPS (Zero Emission Propulsion System) system shall not be construed as an exemption to sell, offer for sale, or advertise any component of the assembly as individual devices.

This Executive Order shall not apply to any ZEPS (Zero Emission Propulsion System) system advertised, offered for sale, sold with, or installed on a new motor vehicle prior to or concurrent with transfer to an ultimate purchaser.

This Executive Order does not constitute any opinion as to the effect the use of Complete Coach Works ZEPS (Zero Emission Propulsion System) electric vehicle conversion system may have on any warranty either expressed or implied by the manufacturer.

In addition to the foregoing, the Air Resources Board reserves the right to review this Executive Order and the exemption provided herein to assure that the exempted vehicle conversion kit continues to meet the standards and procedures of Title 13, California Code of Regulations, Sections 2222, et seq. and 2470, et seq.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF ANY CLAIM MADE BY THE APPLICANT CONCERNING THE RANGE, DURABILITY, OR SAFETY ASSOCIATED WITH THE USE OF COMPLETE COACH WORKS'S ZEPS (ZERO EMISSION PROPULSION SYSTEM).

Executed at El Monte, California, this 11<sup>TH</sup> day of April 2017.

FOR Annette Hebert, Chief  
Emissions Compliance, Automotive Regulations and Science Division
