

State of California
AIR RESOURCES BOARD

EXECUTIVE ORDER D-252
Relating to Exemptions Under Section 27156
of the Vehicle Code

CLEAN LIFE UNLIMITED
PF Magnetics

WHEREAS, Vehicle Code Section 27156 and Title 13 California Code of Regulations (hereafter "CCR") Section 2222(e), authorize the California Air Resources Board (ARB) and its Executive Officer to exempt add-on and modified parts from the prohibitions of Vehicle Code Section 27156.

WHEREAS, Clean Life Unlimited has applied to the ARB for exemption from the prohibitions of Vehicle Code Section 27156 for the PF Magnetics.

WHEREAS, pursuant to the authority vested in the Executive Officer by Health and Safety Code Section 39515 and in the Chief, Mobile Source Division by Health and Safety Code Section 39516 and Executive Order G-45-5, the Air Resources Board finds:

1. The PF Magnetics is an add-on device that is attached to the fuel line in a motor vehicle.
2. The fuel line is part of the required motor vehicle pollution control system.
3. The PF Magnetics is intended for use with a required pollution control system.
4. The PF Magnetics by being installed on the fuel line alters the original design of a motor vehicle pollution control system.
5. The PF Magnetics is a device subject to the prohibitions of Vehicle Code Section 27156 and an add-on part as defined by 13 CCR Section 1900(b)(1).
6. The PF Magnetics does not reduce the effectiveness of any required motor vehicle pollution control device.
7. The ARB, in the exercise of technical judgement, is aware of no basis on which the PF Magnetics will provide either a decrease in emission or an increase in fuel economy.
8. It has not been determined what effect use of the PF Magnetics may have on any warranty, either expressed or implied, by the manufacturer of a motor vehicle on which the device is installed.
9. The PF Magnetics is not a certified motor vehicle pollution control device pursuant to Health and Safety Code Section 43644.
10. The ARB by granting an exemption to Clean Life Unlimited for the PF Magnetics does not recommend or endorse in any way the PF Magnetics for emissions reduction, fuel economy, or any other purpose.

IT IS HEREBY RESOLVED that the PF Magnetics is exempt from the prohibitions of Vehicle Code Section 27156 for installation on 1992 and older model-year vehicles powered with gasoline and diesel internal combustion engines subject to the following conditions:

1. This exemption shall not apply to any device, apparatus, or mechanism advertised, offered for sale or sold with, or installed on, a motor vehicle prior to or concurrent with transfer to an ultimate purchaser.
2. No changes are permitted to the device as described in the application for exemption. Any changes to the device, applicable model year, or other factors addressed in this order must be evaluated and approved by the ARB prior to marketing in California.
3. Marketing of this device using an identification other than that shown in this Executive Order or marketing of this device for an application other than those listed in Executive Order shall be prohibited unless prior approval is obtained from the ARB. Exemption of this product shall not be construed as an exemption to sell, offer for sale, or advertise any component of the product as an individual device.
4. Any oral or written references to this Executive Order or its content by the Clean Life Unlimited, its principals, agents, employees, distributors, dealers, or other representatives must include the disclaimer that the Executive Order or the exemption it provides is not an endorsement or approval of any fuel economy or emissions reduction claims for the PF Magnetics and is only a finding that the device is exempt from the prohibitions of Vehicle Code Section 27156.
5. No claim of any kind, such as "Approved by the Air Resources Board" may be made with respect to the action taken herein in any advertising or other oral or written communication.

Violation of any of the above conditions shall be grounds for revocation of this order. The order may be revoked only after a ten-day written notice of intention to revoke the order, in which period the holder of the order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the order may not be revoked until a determination after hearing that grounds for revocation exist.

Executed at El Monte, California, this 24th day of June, 1992.

R. B. Summerfield
Assistant Division Chief
Mobile Source Division

APPENDIX

CLEAN LIFE UNLIMITED 1231 E. WARNER AVE., SANTA ANA CA 92705

10 YEAR LIMITED WARRANTY ON P.F. MAGNETIC UNITS.

1. UNITS ARE DESIGNED WITH NO STRAY MAGNETIC INFLUENCE AND WILL NOT AFFECT ANYTHING EXCEPT THE FUEL LINE.

INSTALLATION: THE MODEL IS APPLIED, BY STRAPPING THE RESIN SIDE OF THE P.F. MAGNET TO A HOSE OR PIPE, DEPENDING ON THE APPLICATION.

INSTALL THE P.F.M. TO THE FUEL LINE OF ANY INTERNAL COMBUSTION ENGINE BY HOLDING THE UNIT AGAINST THE LINE ANYWHERE YOU CAN FIND A STRAIGHT 3 INCH RUN. IT DOESN'T MATTER WHERE, AS LONG AS IT IS ON THE INCOMING FUEL LINE.

WRAP THE STRAP AROUND THE FUEL LINE TO SEE WHERE THE ENDS WILL FALL WHEN FINISHED. WHEN YOU ARE SATISFIED WITH THE PLACEMENT POSITIONING OF THE UNIT, THREAD THE TIP THROUGH THE LOCKING END AND PULL THE STRAP TIGHT.

CAUTION: DO NOT PUSH THE TIP OF THE STRAP THROUGH THE LOCKING END BEFORE YOU ARE READY FOR FINAL PLACEMENT OF THE UNIT. IF YOU DO, THE STRAP WILL NOT COME APART AND YOU WILL HAVE TO CUT IT OFF AND USE A NEW STRAP. MORE THAN ONE TIME WRAP HAS BEEN INCLUDED IN EACH PACKAGE. WHEN YOU WANT TO CHANGE THE LOCATION OF THE P.F.M., CUT THE STRAP AND THREAD A NEW ONE THROUGH THE LOOP ON THE SIDE OPPOSITE THE RESIN SURFACE.

REPLACEMENT OF THE P.F.M. UNIT: IF FOR SOME REASON THE UNIT BECOMES DEFECTIVE OR DOES NOT STRAP PROPERLY, YOU MAY RETURN THE UNIT TO CLEAN LIFE UNLIMITED AT THE ADDRESS ABOVE FOR A COST FREE REPLACEMENT. YOU MUST PAY INCOMING POSTAGE, WE WILL PAY FOR THE RETURN. IF THIS SHOULD OCCUR WITHIN THE FIRST 90 DAYS OF PURCHASE WE AT CLEAN LIFE WILL REPLACE THE UNIT AND ALSO PAY POSTAGE BOTH WAYS. TEAR OFF THE WARRANTY REGISTRATION AND SEND IT AFTER THE FIRST WEEK OF USE.

IF WE CAN BE OF HELP WITH INSTALLATIONS, YOU ARE ENCOURAGED TO CALL US AT:
714-436-6650, 8:30--5:30 IN THE PACIFIC TIME ZONE.

please cut off here and mail

POWER OF THE FUTURE

PF

MAGNETICS

WITHOUT PF MAGNETICS

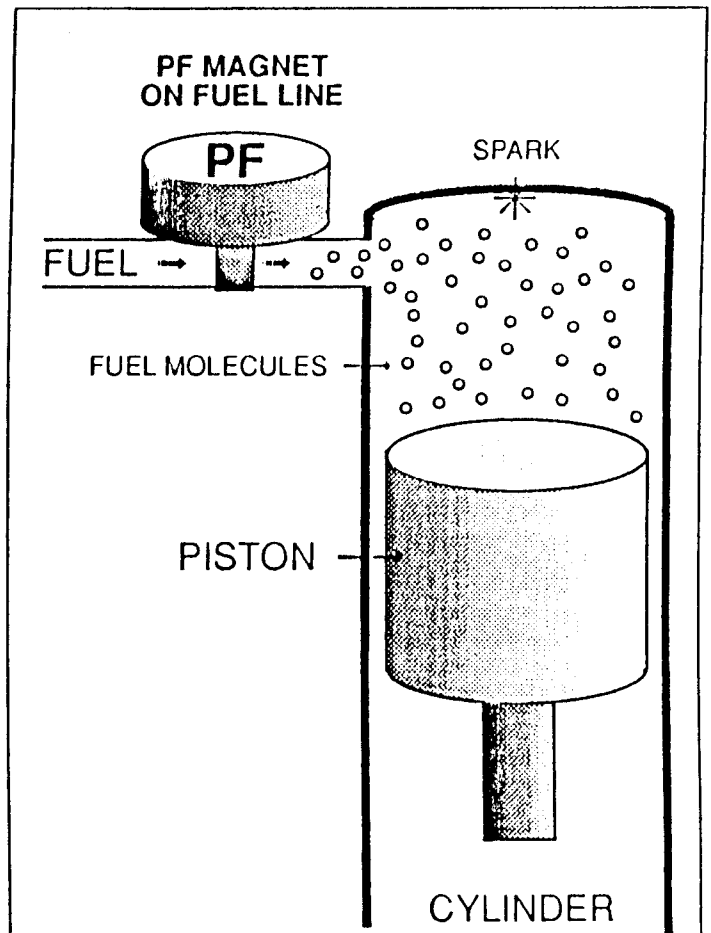

PROBLEM:

Individual fuel molecules attract other molecules to form clusters ("cages").

RESULT:

All fuel molecules do not burn completely causing hydrocarbon (HC - black smoke) and carbon monoxide (CO) emissions.

WITH PF MAGNETICS

SOLUTION:

PF Magnet creates a magnetic field which causes fuel molecules to repel and not join into "cages".

RESULTS:

Fewer fuel "cages" - More complete fuel burn.
More complete burn - Less HC emissions.
More complete burn - More power. ★
More complete burn - More MPG (Miles / gallon)★.
★ MPG is effected by several factors including, road conditions, load, driver, etc. Predicting exact results is not feasible ★
